听力原文

Text 1

W: The jacket I ordered online for my dad last week still hasn't arrived.

M: **Delivery companies are always extra busy around the holidays. Give it a few more days. (1)**

W: I'm going to give them a call. I'll return it if they can't deliver it before Christmas Day.

Text 2

W: Let's go camping this weekend. The weather is going to be perfect for a hike in the woods.

M: That sounds great, but honestly, I've had such a long week. **I think I'll just relax around the campsite and do some fishing. (2)**

W: Sure. Maybe bring your guitar too.

Text 3

M: I'm volunteering at the community center again this weekend. This time, we're organizing an event for the elderly.

W: Nice! Last time you cleaned the park, right? **It's cool that they have so many kinds of programs. I just wish they would do these activities more often, though. (3)**

Text 4

W: This movie was great! I really enjoyed seeing the main character travel around the world.

M: I'm glad you liked it. **For me, the friendship between the characters was the best part. (4)** It was so meaningful, especially since they came from different cultural backgrounds.

Text 5

M: **How about we play beach volleyball?** It's such a nice day.

W: **Honestly, I'm happy just lying here under the tree, reading my book. (5)**

M: All right, but later let's have dinner at that new restaurant. I heard their seafood is amazing.

Text 6

M: How was your weekend away in the mountains?

W: Wonderful! I found a small village hidden between the hills.

M: Really? Anything interesting there?

W: Oh, yes! The village has a rich history. **I came across an ancient well right next to an old stone house that looked empty. (6)** And when I walked further, I crossed a bridge and found a small school, with only 12 students!

M: That's amazing!

W: Yeah, **most of the villagers were elderly, but they were super friendly. One of them gave me a tour. (7)**

Text 7

W: The weather is getting hotter every year. **It's not even May yet and it already feels like summer! (8)**

M: Yes, climate change is real for sure.

W: Right. I'm really worried about the future. What do you think people should do?

M: Well, reducing energy use at home is a start. Like turning off lights when not in use.

W: That's a good idea. **And planting trees could help too! (9)**

M: Definitely. Even planting one tree can make a difference over time. I've also heard eating less meat helps.

W: True, but it's hard for some people to change their diet completely. Maybe just cutting back a bit?

M: Yeah, small steps are better than nothing.

Text 8

M: **I can't wait to go to the music festival this weekend! (10) (11)**

W: Who's playing?

M: **There will be many international artists, mostly from Britain and America. (10)** But I'm really excited about my favorite Canadian band showing up. Oh, and there are some amazing Japanese rock groups performing too.

W: Exciting!

M: Yeah! And it's not just music. There'll be food trucks and a market with music-themed stuff like T-shirts and posters.

W: Sounds fun! So what's your plan for the day?

M: **I plan to get there before it opens at 11:00, otherwise I'd spend so much time waiting in line to get in. (11)**

W: **Will you go to explore the food area? (12)**

M: Probably not. I mean, the food is always good and there's a ton of variety, **but from past festivals, I know it's going to be pricey. (12)**

Text 9 (第16题为推断题)

W: Jake, are you joining in the cooking competition organized by the company?

M: Yeah, I signed up already!

W: Cool! What are you planning to make?

M: A homemade pizza my grandmother taught me. It takes a lot of materials and much time, but it's totally worth it!

W: That sounds delicious. Have you been practicing it lately?

M: Definitely! I made it twice last week. **I even changed the cooking steps a bit to make it taste better. (13)**

W: I'd love to try it sometime.

M: **Well, I'm having a dinner party this Friday. (14)** Why don't you and Bob come over? **I'm planning to make the dish again and get some feedback. (14)**

W: We're in! Are there any prizes for the competition? **I heard there are like 30 staff joining. (15)** Sounds tough!

M: Yeah, **the winner will get a brand-new set of cooking tools, and the top three get gift cards. Everyone else will get a bottle of wine, (15)** so it's not bad!

Text 10 (第20题为总结题)

To address traffic challenges and improve daily travel, the city government is making several changes to make transportation safer, more convenient and environmentally friendly.

We will improve public transportation by adding more buses and trains to reduce traffic on the roads. We are also planning to start using more electric buses to reduce air pollution and create a cleaner environment for everyone. **Additionally, new bicycle paths will also be built across the city to encourage cycling, (17)** which will help reduce the traffic pressure and encourage a healthier lifestyle. **To improve road conditions, broken streets will be repaired, (18)** and traffic light systems will be updated. Car-sharing programs will be introduced to reduce the number of vehicles on the road. Instead of owning a car, people can rent one when needed. **Parking spaces will also be better organized to reduce traffic jams in busy areas and make parking more convenient. (19)** For those who travel on foot, wider sidewalks and safer crossings will be built to make walking safer and more convenient.

We thank you for your support as we work together to create a better city for everyone.
